

Fearless Lambs Fight Club

I came away from my first boot camp knowing I needed to walk in the company of other men who were seeking the same path. My intent is to provide you with that.

Bring your camp chair, favorite libation and/or cigar, pipe. We'll have everything else. The black button on the keypad will be enabled and there will be a sign on the post.

If rain is in the forecast, we will meet on the porch and forego the fire. If it is dry, we'll meet up on the hill at the fire pit. See aerial photo below.

I look forward to sharing time and stories with you.
