- A packed lunch (please avoid meals that need to be heated in a microwave).
- A blanket and pillow for nap/rest time (full-day children only). **Bedding will be sent home daily to be laundered.**
- A change of clothes to leave in the classroom in the event of an accident or messy day, (please **label everything** with your child's name).
- Diapers and wipes to be kept in the classroom (if your child is in pull-ups please bring the kind that fasten and unfasten) please **label everything** with your child's name.
- Swim suits, swim diaper, rubber pants if swim diaper is disposable. towel please **label everything** with your child's name. (****children will not be able to participate in swim sessions without a swim diaper cover due to pool regulations**).
- A child's size back pack or bag to send home projects and communications.

What to expect:

- Structure – each session is scheduled and planned for ahead of time, and students will come to know what to expect each day. This continually gives them a sense of security and ownership in their school day. A behavior policy is in place in the classroom, and once the teachers feel that the child has had time to learn with guidance and role play, they will

be held accountable for their behavior. First and foremost, we use a positive reinforcement approach to behavior.

- Summer - during the summer we will be teaching from weekly themes. Example: Under the Sea. We will learn about the different creatures that live in the sea.
- Security- When your child is dropped off each day, we are required to take his or her temperature before they are permitted in the classroom. Any child with a temperature of 100.4 or higher will be sent home. Parents and visitors are not permitted in the classroom. Children over the age of 2 are be required to wear a face mask/covering when feasible.

Drop of and pick: All drop offs and pickups off will be done

at the back entrance (gate). Parents are asked to Park and walk your child to the gate we will take your child's temperature before they can enter. We will take the children into the building. When picking up we will bring the children out the same entrance/exit.

- Communication- communication between parents and staff is extremely important. Our staff is available to speak with you individually before or after class sessions, or by appointment.
- Smiles- we strive to give each child a positive and enriching learning experience.
- Separation anxiety- Your child may show signs of distress the first few days that they are dropped off. This may range from shyness to crying. This is a normal, healthy, and expected behavior.
