Heat Transfer Sales: Acorn Controls Representative for the Carolinas

November 19, 2015

Acorn Controls, under Acorn Engineering, is pleased to announce the appointment of [Heat Transfer Sales of the Carolinas, Inc.](#) as the Acorn Controls representative for North and South Carolina, **effective December 1, 2015.**

Heat Transfer Sales serves the plumbing and heating markets with an emphasis on major mechanical room equipment found in commercial and industrial facilities. A few of the lines they represent are Taco, Aerco, Bock, Raypak, Parker, Raychem, Reco and Syncroflo. Founded in 1971, they are currently managed by Jeff Vestal, President/CEO, and three owner partners with a total staff of 43 people. They have offices in Greensboro, Charlotte and Cary, NC as well as Greenville and Irmo, SC.

Acorn Controls looks forward to Heat Transfer Sales bringing their capabilities and expertise in support of the success of the Acorn Controls line and the customers we serve.

Regards,

A handwritten signature in black ink that reads "Joseph Penza". The signature is written in a cursive style with a long, sweeping underline.

Joseph Penza
Vice President, Acorn Controls
