Mission Teams at Camp Caroline

We are so excited that you have decided to use Camp Caroline as your hospitality site for your mission trip! Please call the camp office at (252)249-0848, or email Melissa at melissa@ncdisciples.org with questions regarding the calendar and facilities usage.

After securing housing at Camp Caroline, we ask that you reach out to Joy Baker, the long-term recovery coordinator for Pamlico County. She may be reached at jcbaker1025@gmail.com or by phone at (252)745-0883. She will coordinate your mission team projects based on the skills of your group.

Housing

At Camp Caroline, we offer two levels of housing for visiting Mission Teams.

Cabins - \$12.50 per person, per night

We have 8 cabins that can accommodate up to 16 total people (8 per side).

Each side has 4 twin XL bunk beds, is heated and air conditioned, and has a bathroom area with two showers.

Overnight use of the cabins includes the use of Cowell Hall, our community kitchen with attached meeting space/dining area. As time allows for your busy team, there is an outdoor worship center, a prayer labyrinth, one mile perimeter hiking trail, game field, etc. on our property.

Cottages - \$22.00 per person, per night

Camp Caroline has two cottages that sleep up to 18 people each.

Each cottage has:

- 6 bedrooms – 7 queen beds, 1 full, and 2 twins – and 6 baths
- On-demand water heaters
- Mini-split heating and air in each area
- Full kitchen, living and dining areas, and two screened-in porches

**Camp Caroline can also prepare supper for your group for \$10 per person per night.

To determine availability, please reach out to Melissa in the camp office, or contact Casey Perry, Camp Manager, at caseysperry2@gmail.com.

Thank you for choosing us!
