Description of Problem:

PLEASE CHECK

Standard Review
(No Additional Cost)

- Inspection time will be provided once AIE, Inc. receives the prepay payment. Quote will be emailed out.
- At least 1 week repair time after Estimate has been signed.

Time for repair may be extended depending on part(s) availability, queue and the unit's specialty.

AOG (Aircraft on Ground)
(\$667 Additional Cost)

- 2 Day Inspection upon receiving unit. Quote will be emailed out.
- 3 Days repair time after Estimate has been signed.
- AOG Fee is a stand-alone cost.

Time for repair may be extended depending on part(s) availability.

Request 8130-3

- If not checked, repaired unit will come with a Yellow Tag.

Total Prepay Inspection Fee/Deposit	\$271.00
Total if AOG is Applicable	\$938.00

Paid Via: Cash (3% Discount) Check (3% Discount) Card Wire (additional cost)

All quotes will be sent in an itemized format when possible to outline cost associated with each facet of service. Quotes are valid for 30 days upon creation.

By signing below, I authorize AIE, Inc. to perform an inspection based on the non-refundable price above and generate a quote for my unit listed on this document only. Each unit will need a separate Repair Form & quote.
