Webinar: Disaster Planning for your Small Business

An estimated 25 percent of businesses don't open again after a major disaster, but smart planning can help you keep your business running. Join this free webinar to learn about steps you can take to plan and prepare for a disaster, as well as where to get assistance if disaster strikes.

Guest presenters:

- Kathy Cook, Public Affairs Specialist,
SBA's Office of Disaster Assistance

- Paula Gustafson, State Farm® Underwriting
Analyst with 25 years of insurance industry
experience
