**THE DATE FOR THE RECEPTION FOR FR. MARIA** will be July 27th following the 5:30 PM Mass. The Bishop will be coming to install Fr. Maria as our Pastor on that Saturday, so the reception will follow his installation. Please plan to attend to give our new pastor a warm welcome.

**FRIDAY MOVIE NIGHT**

We plan to continue the First Friday Movies. Our next First Friday Movie will be on Friday, August 2nd, 6:30 PM in the Parish Hall. Fr. Sofie ran the Friday Night Movies himself, so we’re looking for a volunteer to take over that project. This is an important part of our building up St. Peter parish, so if you’re a “movie buff” and would like to help with this ministry for St. Peter Church, please contact Charlie Colvin, 834-6030 or email the-colvins@knology.net.

**COPE PREGNANCY CENTER** is hiring a client advocate/counselor. We would consider a full-time or part-time position (32.5 or 20 hours a week). No degree is necessary, but you must be a high school graduate or have a GED. A knowledge of Spanish would be a big plus! If you are interested in a job that can at times be stressful, but very rewarding, please EMAIL ONLY: loriemullins@bellsouth.net.

**AS ANNOUNCED LAST WEEKEND,** Rev. Mr. Randolph Copeland from the Diocese of Gallup will be speaking at all Masses this weekend, and supplying us with information on ways that we might help further the mission works in his Diocese. The Diocese of Gallup covers over 55,000 square miles of Northeastern Arizona and Northwestern New Mexico which encompasses seven Native American reservations and pueblos. It serves 58,000 Catholics and this makes it one of our Nation’s largest and poorest Diocese.
76. What is original sin?

Original sin, in which all human beings are born, is the state of deprivation of original holiness and justice. It is a sin “contracted” by us not “committed”; it is a state of birth and not personal act. Because of the original unity of all human beings, it is transmitted to the descendants of Adam “not by imitation, but by propagation.” This transmission remains a mystery which we cannot fully understand.
