3. CONSENT AGENDA
   - Approve February Minutes
     - MOTION: Caroline made motion to approve the minutes, Manny seconded, and all approved.

4. DIRECTOR OF OPERATIONS REPORT (Priscilla and Claudina reviewed documents)
   - Revised Budget 2017- Claudina reviewed documentation
     MOTION - Caroline made a motion to approve the revised budget, Manny seconded, and all approved
   - Budget vs actual- Priscilla reviewed documents
   - Monthly Expenses- Priscilla reviewed documents
     - A majority of budget is spent on instruction
     - Operating budget has increased due to lease payments
     - ACTION ITEM: Priscilla suggests having free lunch for all students next year. It is difficult to get parents to pay and a lot of time is spent on invoicing when over 85% of students are on free and reduced lunch. Could also be good marketing. Chris Boyd mentioned that there provisions for this.
   - Cash on hand and monthly expenses - Priscilla
     - Balance sheet compared March of this year to March of previous year & February of this year.
     - The school is not carrying any debt all bills are paid each month this year.
-Note: There was a 20% cut to 21st Century budget across AZ. We did not overspend, expecting that reimbursement.
- In June there will be two payments, in July there are no payments.
- Projections are based on expenses the last couple of months and may not be completely accurate.

- **301 Monies** need one more distribution to be caught up. This year year’s distribution will be based on performance. Summer PD will be added to next year’s distribution.

**Financial recommendations & considerations for next year:**

- **ACTION:** The school needs to carry two months. We are currently carrying one month.
- All equipment is 5 years old. Will need upgrades and this needs to be put into the budget.
- **ACTION:** Need to budget for student events. (Consider student fee structure)
- **ACTION:** Need to really plan for next year’s budget. This year has been was is required by the state, but many plan, policies and procedures are not in place which makes everything much more difficult. (Need a fundraising policy that meets USFR guidelines)
- There have been audit findings for finance, this needs to change next year.

5) CEO Report

- **Marketing:** recruitment/retention/enrollment
  - Got $1500 grant for marketing. This is from Ashoka to pay influencers on social media.
  - Ms. Kato is working with Goodwill Metro—communication/support with Goodwill is very good.
  - Can we get an intern or someone who can help with social media campaign? Needs constant attention and someone who is dedicated to this task.

- **Enrollment**
  - Enrollment is at about 90. This is where enrollment keeps landing.
  - Recruitment-Have 25 enrolled for next year. But this only replaces the senior class.

- **Staffing Plan**
  - Teachers have said they are coming back
  - Luis P. is working on this

- **Evaluation for certified and noncertified staff—ACTION ITEM:** being worked on but Luis would like direction on what board would like to see in evaluations.

- **Bell Schedule**—Moved from 75 minute classes to 55 minute classes every day. This will shorten the day and allow for planning/meeting time everyday.
  - **MOTION:** Manny L. motioned to approve the bell schedule as it was proposed
  - Natalie C seconded the motion and all approved.

- **Calendar**—Luis proposed a draft of calendar. **ACTION:** Will fill in more and bring finalized version to the the next meeting. Also bring TUSD calendar to compare.

- **Credit Recovery Program**
  - The credit recovery program is working very well now students who have come to the school during the 4th quarter have been put in credit recovery so that they can earn some
credit. If placed in regular classes they would not have earned any credit. It has been helpful to maintain culture of school and the hope and motivation of the student.

-Documentation shows that students are earning credit, and systems seem to be working well now.
-Discussion of keeping this program for next year. Will be kept in budget.

● 5 Year Department of Education Review Findings—ACTION ITEM

  - ACTION: The Board of Directors will need to vote in a new charter holder to sign the annual General Statement of Assurance, due June 1, 2017.
● Board of Directors needs to build capacity to have a Finance committee and possible Treasurer. Currently Jose is most qualified to serve in this capacity. He is willing. Both Chris and Natalie have offered to serve on finance committee.
● Policy Handbook: Caroline reviewed. ANY ACTION???
● Review and Approve Evaluation procedures: They are on Google Drive.
  - ACTION: Will have meeting by phone on 5/7/17 @ 7:00 pm to discuss and approve evaluation tools. These need to be submitted to ADE ASAP. BOD can use the ADE evaluation tool and adjust later to meet the needs of CMHS, then resubmit later.
