MEMEORANDUM FOR RECORD

SUBJECT: Penobscot McCrum LLC Alert Siren Test Schedule

1. General: This Memorandum is to inform all required City and Waldo County agencies of the testing schedule for the Penobscot McCrum LLC Whelen ® siren. A test of the ammonia waring system will be conducted on the 3rd Wednesday of November, January, April and July.
2. Requirement: Penobscot McCrum LLC will ensure that the system is working appropriately for the safety of the Penobscot McCrum LLC personnel and local community.
3. Testing Dates/Times: All tests will be conducted at 1:00pm (1300).

<u>Day / Month / Year</u>	<u>Test Sound</u>
18 November 2020	Long Steady Alert
20 January 2021	Long Steady Alert and Modulating Wail
21 April 2021	Long Steady Alert
21 July 2021	Long Steady Alert

4. Notifications: In the event that routine or special maintenance is required, Penobscot McCrum LLC will notify officials within the City of Belfast, Belfast Fire Department, Belfast Police Department, Waldo County RCC, and the Waldo County LEPC.
5. Pont of Contact is the undersigned, scraig@mccrum.com (207) 951-4270 / 338-4360 or Ron Clark, rclark@mccrum.com (207) 323-1439 / 338-4360.

Sincerely,

Steven S. Craig
