Paws for Life Utah - FOSTER CARE AGREEMENT

Foster Care Guidelines:

1. Foster Guardian agrees to be completely responsible for and provide a loving and humane environment that meets the needs of the pet being fostered – physically, mentally and emotionally.
2. Foster Guardian agrees to take extra care and responsibility to ensure a harmonious and safe environment for both the pet and anyone that comes into contact with the animal at any time – especially when allowing the pet outside and introducing or allowing the pet to interact with people, children of any age, dogs, cats, or other animals, etc.
3. Foster Guardian has been told of the animal's known temperament and behavior and understands a pet is an individual animal with its own mind and there are inherent risks with the guardianship or fostering of any animal – there is no expressed or implied temperament guarantee. Foster Guardian agrees to be fully responsible for the pet while fostering the animal and will take necessary precautions to prevent accidents and guard against unpredicted actions by any foster animal.
4. Notify the Foster Care Coordinator as soon as possible of any changes in the status of either the animal in your care or the foster home environment, including if the animal becomes sick, injured or missing.
5. Foster Guardians must respond within 24 hours to all communications from PFLU.
6. The foster animal must wear a PFLU pet ID tag at all times.
7. Foster pets must be on a leash at all times when outdoors unless in your own secured fenced yard.
8. Foster cats must be kept indoors at all times.
9. No foster pet will be allowed to run or play off-leash in a dog park or other open public area.
10. During transport, the foster animal must ride inside the vehicle or in a secured and approved pet carrier. The foster animal shall not be transported loose in the open bed of a truck at any time.
11. All veterinary visits must be pre-approved. Contact PFLU for approval *prior* to going to a Vet, otherwise Foster Guardian will bear all costs and expenses with any unapproved visit. In addition, Foster Guardian is responsible for all expenses related to their own personal pets, including medical problems that may be related to any foster pet(s).
12. Responsibility for or care of the foster pet shall not be assigned nor transferred to any other individual, including but not limited to “pet-sitting”, without prior approval of PFLU.
13. If you need to return a foster pet to PFLU's care, for any reason, enough notice is necessary for PFLU to locate a new foster home placement for the pet. This process may take a week or more, depending on the animal, the number of other animals currently in foster care, and availability of Foster Guardians.
14. Foster Guardian provides care on a volunteer basis and agrees to receive no pay, benefits, or compensation of any kind from PFLU.
15. PFLU retains the right to remove a foster pet from Foster Guardian's care at any time and for any reason.
