To whom it may concern:

The Gables Condominium and Club is a luxury hi-rise building located in Coral Gables. The property boast of two towers and a clubhouse complete with a five star restaurant, a men and women's spa, and fitness center.

It is my distinct pleasure and privilege to recommend Carmen Segrera and her company, CS Orchids, who has been servicing our interior foliage, including but not limited to orchids, for the last three years.

Ms. Segrera is a focused, organized, creative, and committed individual. Her staff is dedicated and competent. She has a keen understanding of the demands of this upscale community and her work can attest to her taste, experience, and professionalism.

I can unreservedly recommend Carmen Segrera and CS Orchids services. Please do not hesitate to call me at 305-740-9111 Ext. 222 if you have any questions.

Sincerely,

Jorge Averhoff
General Manager
