Christmas Safety Tips

Open items:

Issues with phone lines not located; USIC has a digital program and it has caused code problems w/locates. It clears the code for the locate and closes the ticket. New ticket has to be done/located. Target only USIC or utility that needs to be located. Bonterra is locating their own.

New items:

There is fiber going in – Waxhaw

Bypass: It's a very big job slated to finish May 2019. Will finish early – ahead of schedule, the work has continued all winter. Nov 2018 it should be open for traffic with tolls open. NCTA tickets or fast pass – stores will sell them

--Question: Will emergency vehicles or other vehicles going to emergencies be excluded from tolls?

--Answer: They should be excluded, no further info now

Thank you USIC for sponsoring breakfast!
