

## Star of Hope Update

**Building Stabilization Efforts Continue**

With thanks to so many Vinalhaven residents, the Star of Hope Foundation has completed four meetings and a community survey (both through the mail and online) as part of our unique Community Engagement process. However, the Board is not finished having conversations with community members. If you have a group or organization that would like someone from our Board to come and discuss the Star of Hope Foundation's mission, planning process and progress, we would like to hear from you.

For information about the Star of Hope Foundation, or to view the survey presentation, visit our website: [www.starofhopefoundation.org](http://www.starofhopefoundation.org) If you have any questions, please email us at: [starofhope@starofhopefoundation.org](mailto:starofhope@starofhopefoundation.org) We look forward to a continued dialog.

***The Mission of the Star of Hope Foundation is to promote education of the visual arts through various means including exhibitions, a museum, artist-in-residence programs and other outreach endeavors.***
