

## Star of Hope Update

The Star of Hope Foundation has suspended all construction activity on the Star of Hope building due to the corona virus. The effort to address some of the biggest challenges in stabilizing the building has progressed well over the last 8 months, and the community can rest assured that the work will begin again as soon as it is appropriate.

The Star of Hope Foundation fully supports the state of Maine's effort in urging people to stay home and stay healthy.

Please visit our website to see the latest visual tour of inside the Star of Hope building.
