

We are more than art. We are faith-in-action.

2020 Faith-In-Action Year-End Report

Under The Horizon, is an outreach-based pottery studio. We offer lots of creative fun in Gettysburg, Pennsylvania. We specialize in all things creative while inspiring creativity. We offer pottery lessons, as well as, parties, field trips, fundraising, camps, and more. We work via faith-in-action. We actively serve our community through our outreach programs

How Did We Serve in 2020?

2020 offered challenges both big and small. It cleared the path for a new appreciation of many things as well as recharged some creative business juices. Despite it all, we were blessed, we prospered, we had a successful year, and happily served this amazing community.

- Made monetary donations to Penn State Children's Hospital and SafeHome.
- Provided hope through the **Children's Bereavement Art Group (CBAG.)**
 - Provided hand-crafted and handwritten cards to the children to show our love and support.
 - The volunteers work diligently to instill hope for the future through faith, encouragement, fellowship, creative expression, and friendship. Events included working in the CBAG garden, snacks, and an art project/lesson aim to instill hope for the future. Under The Horizon organized and held 10 events. We served 73 children. This effort took over 237 volunteer hours.
 - Funds received by ACWCC, in memory of our late volunteer Joann Smith, allowed us to build a fire pit and sitting area for the children to enjoy. It was perfectly placed in the children's bereavement garden.
- Fed many families through our **Blessing Box** program.
 - Providing a total of 8 food distributions including 3 in the summer, Thanksgiving, and 4 in December. We provided sustainability food boxes to 186 families, consisting of an estimated 983 people. This effort took over 105 volunteer hours.
- Launched **Donna's Dreams** to benefit local victims of domestic violence.
 - Provided a cash donation, that was generated by our annual Pumpkin Paint, to SafeHome. Generated a supply drive and provided laundry detergent, gasoline gift cards, diapers, pull-ups, baby wipes, bath soap, and feminine hygiene products.

Thank You!

A special thank you goes out to Jacoby Transportation, A/V Solutions, LLC, The United Way of Adams County, The Gleaning Project, Project Linus, ACWCC, Siobhan Owens, program leads Carol Dehne and Denae Lerew, our junior volunteers Colton Lerew and Nicholas Lerew, our numerous volunteers, unnamed donors, and our AMAZING community.

Want to Be Part of the Action?
