# Calm

DIGESTIVE BLEND

## Essential calming oil

Our e2™ Calm – Digestive Blend Essential Oil Roll-On works with all BeneYOU Love Your Gut products to support gastrointestinal health. A combination of selected essential oils, which work together to improve gut function, are formulated in a base of fractionated coconut oil.

## Product Features

Fractionated coconut oil is an ideal base oil that allows delivery of the active essential oils and then release of essential oil fragrances from warm skin, so you can experience all the benefits of this unique oil blend.

Eight high-quality essential oils provide a range of therapeutic benefits:

- Peppermint (*Mentha piperita*) from India
- Copaiba Balsam (*Copaifera langsdorfii*) from Argentina
- Coriander (*Coriandrum sativum*) from Russia
- Anise (*Pimpinella anisum*) from Egypt
- Sweet Orange (*Citrus sinensis*) from Portugal
- Citronella (*Cymbopogon nardus*) from Indonesia
- Lavender (*Lavandula angustifolia*) from France
- Chamomile (*Matricaria chamomilla*) from India

## KEY BENEFITS

Calm provides a number of key benefits:\*

- Works with the other Love Your Gut™ products\*
- Supports gastrointestinal function\*
- Improves digestion and elimination\*
- Convenient application via roll-on bottle

## SUGGESTED USE:

Apply directly onto stomach and massage in gently.

# Calm

DIGESTIVE BLEND

## Recommended Usage

The roll-on applicator allows direct application to the skin. Calm should be used on the body where the fragrance of the essential oils can be enjoyed and allowed to exert their therapeutic benefits. Ideal points of application are the wrists and throat area, where the rich blood supply will ensure the essential oils are effectively dispersed.

Some of the essential oils used in this formulation can increase your reaction to the sun, so use the product with care prior to sun exposure.

## BENEFITS

Some additional benefits include:

- Clinically proven, standardized ingredients
- All-natural
- Roll-on applicator makes it easy for gentle and quick application with no waste.

## Additional Information

### NOTICE

- May cause skin sensitivity.
- Keep out of reach from children.
- Avoid contact with eyes and sensitive areas.
- For external use only.
