

Through an explosion of tropical flavor, SOUL delivers all kinds of goodness with Nature's finest herbs

Did you wake up on the wrong side of the bed this morning? Well, you can put down the donut and pick up some Hydration with Purpose™ — and let SOUL help you put your best foot forward.

SOUL is made with natural ingredients that work hard to boost your mood, enhance your energy, and help you feel calm, cool & collected. And make every side of the bed the “right” side!

Product Features

BIOPERINE®— BioPerine, a special extract from black pepper, is what's known as a “bioavailability enhancer.” It's been clinically proven to optimize — by 25–45% — your body's access to the critical elements of a supplement. BioPerine is so effective and unique that it's been granted a U.S. patent.

GINKGO-BILOBA-LEAF EXTRACT — This amazing herb enhances blood flow to the brain, delivering critical oxygen for maximum benefit. Ginkgo has been shown to improve concentration and memory, helping to combat brain “fog.”

YERBA MATE — A botanical that's not only packed with antioxidants that help free your body from free radicals, it's also loaded with nutrients and natural caffeine, and it's been associated with beneficial effects on mood.

SIBERIAN GINKGO — This herb is prized for maintaining good health and stimulating your body's ability to resist stress. Regular use has been shown to improve memory and enhance energy. All combined, these benefits work hard to keep you relaxed throughout your day.

GUARANA — This natural appetite suppressant won't make

KEY BENEFITS

Add clarity to your day and brightness to your soul.

- Enhanced mood
- No sugar
- Boosts mental acuity
- 100% natural
- Unrivaled taste

you nauseated (or regretful!). It increases your metabolism and energy, helping you feel awake and alive.

GREEN TEA — Used traditionally for centuries, green tea has powerful antioxidants that can help regulate mood. It helps counter inflammation, and the natural caffeine has been shown to improve mood and energy.

ELECTROLYTES — These regulate your enzymes, helping with energy production, nervous-system function, and balancing brain chemicals. They positively charge your mood, energy, and mental clarity.

HYDRATION

When you wake up, you've gone without water for (hopefully) eight hours. Proper hydration first thing in the morning not only starts your systems right, it also facilitates your body's ability to receive and process key nutrients.

Additional Ingredient Information

Store in a cool, dry place, away from direct sunlight
