Puff and Burrito Cooking Instructions

Deep Frying: Cook at 350° for approximately 4-5 min if refrigerated and 7-8 min if frozen. The product will be fully cooked once completely floating, similar to cooking breaded fish.
Convection Oven: Preheat oven to 385°. If available, place parchment paper on baking tray. Place product on parchment paper. Brush or spray cooking oil on each product to help browning. From frozen, cook for approximately 15-20 min until product is golden brown. Oven times are approximate as ovens do vary. (COOK WITH FOLDED SIDE UP)
Conventional Oven: Preheat oven to 425°. Place product directly on baking pan. Brush or spray cooking oil on each product to help browning. From frozen, cook for approximately 20-25 min until product is golden brown. Oven times are approximate as ovens do vary. (COOK WITH FOLDED SIDE UP)

Tamales Cooking Instructions — LEAVE IN PAPER WRAPPER

Boil: place in boiling water for 4-6 min if refrigerated, or 12-14 min if frozen.
Microwave: place in microwave seal side up for 30-45 seconds if refrigerated and 1- 1.5 minutes if frozen.
Steam Table: 10-15 min if refrigerated or 15-20 min if frozen. Oven times are approximate as ovens do vary.
