SURGICAL TECHNOLOGY PROGRAM
PROGRAM HISTORY

The Surgical Technology Program is approved by the Accreditation Review Committee on Education in Surgical Technology and Surgical Assisting, and The Council on Occupational Education (COE). Following graduation, the student is eligible academically to take the National Certification Examination for Surgical Technology (CST). Hospitals, doctor's offices, other institutions, employ CSTs. Surgical technologists (ST) are an integral part of the health care team and provide community service through their practice. The ST is an Allied Health professional who works as part of the surgical team to ensure that the operative procedure is conducted under optimal conditions. They must be able to work independently with little direction or supervision from team members.

FULL-TIME SCHEDULE

The full-time program is offered every August. Theory classes are held Monday-Friday from 8:00 a.m. to 4:00 p.m. Students will be required to rotate to various clinical sites during practicum. Scheduled clinical hours may be 6:00 a.m. to 2:30 p.m.

EMPLOYMENT

Due to the intensity of our program, full-time employment is not recommended.

FINANCIAL AID

Financial aid is available for those who qualify. Everyone should apply for financial aid as this may assist in qualifying the student for future scholarship monies. The cost of the program is approximately \$6,886. These amounts are paid by semester and throughout the program.

SELECTION PROCESS FOR THE SURGICAL TECHNOLOGIST

The initial selection process is determined by placement test scores, a completed application, an interview, a dexterity test, and a hospital observation. After successfully completing all of these criteria, the top 20 students will be accepted into the program based on a scoring system. A physical examination, drug screen, and criminal background check will be done prior to attending the clinical setting.

ADVANCED PLACEMENT

Students, who have already taken college courses, including Medical Terminology and Anatomy & Physiology, must have a grade of "B" or better to transfer out of these courses, but must have taken within the last three (3) years.

BACKGROUND CHECK AND DRUG SCREEN

Background checks and a drug screen are required for ST Practicum II and III. Random drug screens are conducted throughout the program.

Questions about this program can be answered Monday through Friday 7:30 a.m. - 4:00 p.m. by calling 479-751-8824 ext. 116.

Although we have made every effort to include all expenses (both required and recommended), we may have missed some. Hopefully, any missed will be incidental. The purpose of this is to help you budget your money for the year; but whether or not it is included on this sheet, it is your responsibility to pay for the required supplies and services at the time they are due.

Please keep in mind when making your financial plans: Travel expenses to/from school and clinical sites, lunches, child care, out-of-town trips, etc.

***The above expenses are estimates and are subject to change without notice**

SURGICAL TECHNOLOGY PROGRAM CHECKLIST

Thank you for inquiring about Northwest Technical Institute's **Surgical Technology Program**. This is an 11-month program that begins in August and ends in June. There are **no prerequisite classes**, although college credited classes in Medical Terminology, Anatomy and Physiology I and II may be applied for course credit.

FILE COMPLETION: To be considered for this program, you must have a complete file no later than May 31st:

Surgical Technology Application Packet and DD-214, if applicable (**\$10.00 fee**) **Application Fee \$10.00 must be paid when application is turned in.**

Next-Generation Accuplacer test (\$10.00) you must score a minimum 260 for Reading Comprehension and 249 for Arithmetic Math. The **Next-Generation Accuplacer** is a Basic Arithmetic and Reading Comprehension exam which can be taken Monday through Friday by appointment only. Photo I.D. is required. Please call 479-751-8824 ext. 116

Students must score a 260 or above on Next-Generation Accuplacer Reading to be considered for admissions and will be given credit for NPR 1403 Technical Communications

High School Transcript or GED needs to be **OFFICIAL** transcripts. (An "Official Transcript" means it has the embossed school seal imprint and sealed in an envelope and **sent directly** to the NWTI Admissions Office. You will be responsible for any fees involved.

College Transcripts needs to be official transcripts (An "Official Transcript" means it has the embossed school seal imprint and sealed in an envelope and sent directly to the NWTI Admissions Office. Please see cover page about transfer credit.

Immunization Records includes Two (2) Measles & Rubella (MMR) is required, if born on or after January 1, 1957. 1 **Negative TB skin test** or a chest x-ray (allow three working days to complete this test). **Varicella:** You will need to show proof of 2 vaccines, proof of positive titer, or a note from your physician stating that you have a history of varicella (chicken pox). **DTAP:** Must be within the last 10 years and cover the entire program. **3 Hepatitis B vaccine;** first 2 are given 30 days apart, and the 3rd is given 6 months later.

If you have ever tested positive or recently test positive for TB, you must have a chest X-ray showing no active disease after July 1st in the year that you are accepted into the program.

Two Employment References are needed from your current job. If you do not have 2 job references, we will need 3 personal references. Personal references must be typed and signed by the person. **All references must be mailed directly to NWTI.**

ATTN: All paperwork must be turned in all at once. Employment references and transcripts must be mailed in no later than May 31st.

Admission into the program is by selection

Approximately one to two weeks after file completion deadline, each applicant will receive information about interview dates. It is important to notify NWTI of any phone or address changes. A selection committee composed of faculty members and the program director conducts the interviews. Members of the committee will score the individual by considering previous academic accomplishments, Next-Generation Accuplacer test score, previous health related experience, employment references, or personal references, hospital observation and a dexterity test.

After the interview process, the top applicants will be notified. They will be required to take a dexterity test and observe in the surgery setting. The dexterity test will be administered at NWTI in the Surgical Technology Lab. There will be a \$25.00 fee. The standardized dexterity test will measure your dexterity skills and eye-hand coordination. The ST Program Director will set up your clinical observation and give you the paperwork and information you need to complete this requirement. You **MUST** have a negative TB Test on file at this point.

Financial aid is available; apply at this time as this may also qualify you for future scholarships. The cost of the program is approximately \$6,886. This amount is divided up, per semester. Please see the 2021-2022 anticipated expenses on the last page.

Classes meet Monday through Friday, 8am to 4pm beginning in August. Clinical hours are approximately, 6:00 am to 2:30 pm. Due to the intensity of this program, full-time employment is not possible. Part-time employment is difficult, but may be manageable. If you have any mental or physical health issues that might be detrimental to your success, please take them into consideration before applying for this program.

*There are certain prescription drugs and health conditions that will not allow students to participate in clinicals and therefore students may be exited or not selected for the Surgical Technology program. Please contact Director of Student Services Melissa Greenslade for more information.

Please contact Jessica Melara by email regarding any paperwork jmelara@nwti.edu.

FINANCING YOUR EDUCATION AT NORTHWEST TECHNICAL INSTITUTE

APPLYING FOR FINANCIAL AID

Step 1: Complete the Free Application for Federal Student Aid (FAFSA). It can be completed online at www.fafsa.gov. Paper forms are available and must be requested individually on the FAFSA website. The online FAFSA is free, fast, and secure.

Step 2: Make sure you are filling out the FAFSA for the appropriate school year. It may be submitted after October 1 for the school year beginning the next fall. Information from prior year tax returns is needed (school year 2021-2022 will require you to have 2019 tax information). It is best to submit the FAFSA as early as possible.

Step 3: **Northwest Technical Institute's Federal School Code is 014044**. NWTI's school code should be listed in the school code section of the FAFSA so that the application data will be sent to NWTI and eligibility for assistance can be determined.

Step 4: When applying electronically be sure to submit the application by selecting the "Submit my FAFSA now" button on the last page. It is recommended to print a copy of the Confirmation Page for your files.

Step 5: If any further information or documents are necessary, NWTI will notify the student. It is important to respond to requests in a timely manner. Once an application is finalized, NWTI will send an award notice indicating types and amounts of assistance for which the student is eligible.

TIP: FAFSA4caster is a tool that provides students with an early estimate of their expected family contribution (EFC) and eligibility for federal student aid. A link to FAFSA4caster is also available on the FAFSA on the Web homepage. Remember this is simply an estimate to help students make important decisions as they prepare to further their education.

GRANTS

Federal Pell Grant:

This is a federal program providing funds based upon financial need as demonstrated by the FAFSA. The grant does not need to be repaid. Duties and Responsibilities:

A surgical technologist is a healthcare professional whose primary responsibility is to maintain the sterile field, understand the procedure being performed, anticipate the needs of the surgeon, maintain a current knowledge base, maintain quality patient care during the operative procedure and maintain constant vigilance regarding the adherence of aseptic technique by all members of the surgical team. They handle necessary instruments, supplies and equipment necessary before, during and after the surgical procedure. In addition to the technical aspects of the profession, the technician must always be aware of the patient's condition and needs.

Special Qualifications:

In addition to minimum requirements regarding reading, language and math skills, the student must, unassisted:

1. Demonstrate the ability to comprehend and interpret written material.
2. Able to make appropriate judgment decisions.
3. Follow written and oral/verbal instructions in English.
4. Possess short- and long-term memory sufficient to perform tasks such as, but not limited to, mentally tracking surgical supplies and performing anticipation skills during the operation.
5. Synthesize information from written material and apply the knowledge to various situations.
6. Demonstrate the use of positive coping skills during patient, staff and faculty interactions.

Psychomotor Qualifications:

1. Vision – Normal, corrected. Demonstrate sufficient ability to load a fine 10-0 suture on a needle holder with or without corrective lenses and while wearing safety glasses. Demonstrate sufficient peripheral vision to anticipate and function while in the sterile surgical environment.
2. Hearing – Normal corrected or aid able. Hear and understand muffled communication without visualization of the communicator's mouth/lips within 20 feet. Hear activation/warning signals on equipment.
3. Smell – Able to detect odors sufficient to maintain environmental safety and patient needs.
4. Touch – Normal tactile sensitivity. Manipulate instruments, supplies and equipment with speed, dexterity and good eye-hand coordination.

Physical Qualifications:

1. Able to stand, bend, stoop and/or sit for long periods of time in one location with minimum or no breaks.
2. Able to lift from 50-75lbs, carry up to 75lbs., push up to 300lbs. and pull 100-200lbs., 34-67% of the time.
3. Able to refrain from nourishment or restroom breaks for periods of up to 6 hours.
4. Ambulate/move around without assistive devices.
5. Able to assist with and/or lift, move, position and manipulate an unconscious patient.

Communication Qualifications:

1. The ability to interact and verbally communicate with others.
2. Ability to communicate and understand fluent English, both verbally and in writing.
3. Demonstrate positive interpersonal skills during patient, staff and faculty interactions.
4. Demonstrate calm and effective responses, especially in emergency situations.

I have read the above and feel that it is within my ability to carry out the duties, responsibilities and qualifications of a surgical technologist. **I do _____ do not _____** (check one) have any problems meeting the above technical requirements. In the event that I am selected for the ST program, I understand that it will be necessary for me to demonstrate the technical requirements during my clinical training. I understand that any misrepresentation or falsification of information is cause for denial of admission. Upon discovery of falsification of stated ability, a student that has been admitted to the program may not be able to continue.
