Public Comments:

Items for Board Action/New Business

1. Motion to approve August Regular Meeting Minutes.
2. Motion to approve August 12<sup>th</sup> Planning Committee Meeting Minutes.
3. Motion to reaffirm the purchase of bottled water in the amount of \$2500 to be distributed to the residents of Dunkard Township during the boil water advisory announced by East Dunkard Water Authority.
4. Motion to open a separate account for the American Rescue Plan Funds.
5. Motion to approve bills to be paid.
6. Motion to appoint Warren Dickerson as Township Supervisor to finish out the year.
7. Motion to approve/sign the PennDot Point Marion Lighting Agreement.
8. Motion to have solicitor compose a contract between Point Marion and Dunkard Township as it pertains to the maintenance/upkeep of the Point Marion Bridge Lighting.

9. Motion to appoint a voting delegate for the PSATS Business Meeting.
10. Motion to request 168 Larimar for action under Ordinance 1 of 2005 based on inspection and findings of both the Code Enforcement Officer and by McMillen Engineering UCC Officers. Property was posted by McMillen Engineering as a dangerous structure and reported to Code Enforcement by multiple residents that the sign has been removed and the structure continues to be occupied.

Discussion:

1. Request 381 S. Moreland be considered to be reviewed for action under Ordinance 1 of 2005 based on inspection of McMillen Engineering and Code Enforcement.

Glenn Wolfe:

2. Still have some funds available from the Colvin Building demo project to use. Needs to be used in a low to moderate income area. Should put a list together for Crystal Simmons (CDBG) to review to see if any of them would meet the criteria.
3. Grant Information BHE GT&S had e-mailed us. Put a wish list of items together. We can submit multiple applications. Lisa can fill out the application and I'll assist her where needed.
4. May want to look at doing a solar panel ordinance when it comes to environmental issues with someone abandoning or having broken panels. Would need an ordinance in place to be able to remove the panels should it become necessary. May want to look at them posting a bond as well.
5. Still working on getting Diversified to do the required repairs to Meadow Run.
6. Wants to set up a meeting with Supervisors to discuss the 537 Plan.
