Subject: Enterprise and National Car Rental as your preferred rental car providers

We are pleased to announce Enterprise and National Car Rental as the preferred rental car suppliers for Pathgroup effective immediately. The corporate ID/discount code is XZ56Y87.

National is the provider of choice for airport rentals and Enterprise is the provider of choice for off-airport locations.

The Emerald Club - Bypass the counter & choose your own car

The frequent rental program for both Enterprise *and* National is the Emerald Club. One of the benefits with Emerald Club is the Emerald Aisle at National where you can bypass the counter and choose any car on this exclusive section of the lot, when you reserve a midsize car. In addition, returns are expedited with E-receipts and you will accumulate free rental days to be redeemed for personal travel! If you currently belong to Enterprise Plus you should discontinue use of this and enroll into the Emerald Club.

All employees are required to enroll using the link below to ensure you receive the appropriate rates.

If you already have a pre-existing Emerald Club number there is no need to re-enroll again. However, you will need to e-mail your current number to our program Manager, Don Young to be connected to the program, Donald.E.Young@ehi.com . If you currently belong to a loyalty program by another rental vendor and are in the top tier of that program, National will provide a complimentary status match.

When setting up your profile:

- Elect for the automatic e-receipts, there's no need to wait for an agent to give you a receipt upon returning. Instead, we'll automatically email it to you.
- Decline all ancillary products.
- Preferred car class is an intermediate or midsize vehicle.
- Exceptions for larger vehicles should be requested at the time of booking if there is a business need.

Picking up your rentals

When you arrive at National Car Rental, go directly to the Emerald Aisle, choose from any available car. Remember that you can choose any vehicle on the Aisle for the price of the Mid-Size car.

If you have any questions regarding the Pathgroup car rental program provided by Enterprise and National Car Rental, please contact our Account Manager Don Young at Donald.E.Young@ehi.com or 615-309-1280.
