He arrived in USA in the early 50's. Became a building contractor and worked for Mr. Walt Disney, "Disneyland", for 11 years while residing in Santa Ana. After that, Hans went north and settled in Vallejo. He did lots of work for Howard Jonson hotels. Hans was the Building Contractor of California governor Mansion. He also has built a beautiful 4-bedroom home in Vallejo. Hans was a member of many organizations, an avid bowler, loved ballroom dancing, golf, and played bridge, canasta and chess. Loved to travel and had been a "Host on several cruise lines cruises".

A DSC member since April of 1996, and was one of 'the old gang' that gave and spent lots of hours to 'renew'/ build our kitchen and bar on Kastania Fælled.

Hans will be sorely missed.
