OF NORTHERN CALIFORNIA

MEMBER OF: DANSKE SOLDATERFORENINGERS LANDSRAAD
PROTECTOR: HER MAJESTY QUEEN MARGRETHE II OF DENMARK

Membership Meeting 6 July 2019

- Call to Order: President Rick Santarini opened the meeting at 12:20 PM.
- Minutes of June membership meeting were read by Secretary Jill Brians and approved.
- Treasurer Margrethe Baekgaard revised the May Treasurer's report – the beginning balance for the checking account was corrected; motion to approve the revised May Treasurer's report was made and approved.
- Margrethe presented the Treasurer's income and expense reports for June 2019.
 - Major expense was for insurance payments. Final two payments for the year were made prior to due date. This inflates current expenses, but as they are already paid the expenses will be less in future months this year.
 - Income and expense reports approved
- Membership dues – Rick emailed and mailed those who were on the list of overdue membership dues
 - Next communication will be to indicate that if membership dues are not received by August, they may be removed from the club roles.
 - Discussion about increasing membership included a suggestion from the membership to have different prices for members versus non-members for lunches, events (e.g. Christmas party). To be discussed at the Board meeting and issue raised at a future membership meeting.
- Road condition – Seemed improved since prior meeting. No update at meeting as Vice President Keith Brians was not in attendance.

- Note from after meeting: The owner laid some rock and smoothed it with his tractor since the June meeting.
- September barbecue – Board member Dennis Wimple will be barbecuing, and Keith will be organizing volunteers.
- Meeting Adjourned at 12:48 PM
