Additional Verses

We're comin' to you live every Friday afternoon at two;
 Yeah we come to you live every Friday afternoon at two.
 And if we don't see ya, don't know what we'll do.

All you need is a stick a box and some strings;
 I say all you need is a stick a box and some strings.
 Put 'em all together, you know they're gonna ring!

Build what you play, and play what you love.
 Ya gotta build what you play, and play what you love.
 It comes up from the roots, not down from above.
