Your partnership and investment with our Open New Doors Capital Campaign will enable us to redevelop and update our Club location to equip more youth for 21st century success. Thank you for your investment, which will not only benefit today's youth, but future generations as well.

WE HAVE A BIG VISION FOR THE FUTURE:

To build a clubhouse that will serve *more* children and youth of all ages for years to come. WE NEED YOUR PARTICIPATION TO REALIZE THE VISION. We have already secured nearly half of the \$2.7 million required to complete our new building. Please help us raise the last \$1.7 million.

A New Clubhouse Will Help:

- **Inspire Life Goals:** Young adults with bachelor's degrees earn more than twice as much as those without high school diplomas and 59% more than those with high school diplomas.
- **Improve the Local Economy:** If just 10 Club members graduate from high schools, who otherwise wouldn't, we will add \$2 million to our economy over their lifetimes. The economic impact of healthy, productive high school graduates is astounding, and it's within Alpena's reach. And, in the meantime, parents can be more productive at work knowing their kids are in a safe environment after school.
- **Promote Civic Engagement & Volunteerism:** Boys & Girls Club improves character and citizenship in young people. When compared with their peers, youth who participated in civic engagement programs were less likely to become pregnant or use drugs during their teen years; observed to have higher rates of school engagement and attendance; more likely to attend college; more likely to have positive attitudes toward work; and more likely to vote as young adults.
- **Decrease Juvenile Crime Rates:** Nationwide, 20% of all violent crime committed by juvenile offenders occurs between 3 and 7 pm, the hours school is released. By providing a safe, positive environment after school, we minimize opportunity for teens to commit crime.
- **Decrease Youth Obesity:** Nationwide, 33% of high school students are overweight or obese and 75% of them are not physically active for at least an hour each day. Over a lifetime, the medical costs associated with childhood obesity total about \$19,000 more per child than those for a child of a healthy weight. Boys & Girls Club addresses this by providing exercise, fitness, and healthy eating opportunities every day.
- **Decrease Costs by Preventing Crime:** Correctional facilities in the U.S. spend \$241 per day per incarcerated youth. By keeping Alpena's youth productive and safe, Boys & Girls Club is preventing juvenile crime and associated costs. Operating the new Clubhouse is projected to cost only \$10 per day per young person served.

MAKE A COMMITMENT TODAY

There are many ways you can invest in the Open New Doors campaign.

Make a pledge. Make a gift to the campaign, pledged over a three-year giving period. You may choose to satisfy your pledge through monthly, quarterly, or annual payments, or customize your own payment schedule. You can satisfy your pledge through payments by check, direct deposit, or credit card. We gladly accept VISA, MasterCard, and Discover. And we will be happy to send you reminders of pledge payments as they become due.

Make a gift of securities. Gifts of highly appreciated assets, such as stock with a very low basis, make excellent charitable gifts. By donating stock, you avoid costly gains and significantly help Alpena youth at the same time. We will be happy to assist you in transferring assets to complete your gift.

Special Tax-free IRA gifts. For those 70 1/2 or older, it is now possible to make tax-favored charitable gifts from traditional and Roth IRA accounts. A total of up to \$100,000 per year can be transferred directly from traditional or Roth IRAs to one or more qualified charities such as the Boys & Girls Club free from federal income tax. Amounts given in this way count toward required IRA minimum withdrawal amounts for the year of the gift. To make such gifts, it is important not to withdraw funds prior to a gift, but have the gift amount distributed directly from an IRA to the organization. Check with your tax advisor for more information.

Make an in-kind gift. Boys & Girls Club of Alpena will consider all kinds of "other than cash" gifts such as real estate and personal property. We are happy to visit with you about potential in-kind gifts.

Make a planned gift. For some donors, a planned gift—or other type of deferred giving arrangement—may better suit your financial and planning needs. These can be structured through a variety of vehicles, including a bequest in a will, a trust arrangement, and other income-producing vehicles such as life insurance and annuities. In considering a planned gift, it is best to consult your tax, legal, and financial advisor(s). We will be happy to work with you and your advisor(s) to structure a gift that best suits your tax and real estate planning needs.
