

Work Scholarship Application – Youth Events

Please submit this application to Peyton Hathaway at the church office within 5 days of registering for the event

BPC Youth Ministry desires to enable all students to attend our events. We don't want financial considerations to impede your child's participation.

We consider our scholarships to be "work scholarships," which means we ask that scholarship recipients to volunteer at the church when a need arises. This allows students and families to participate in events regardless of financial circumstances, while still contributing to and investing in the functioning of our congregation. Work opportunities will be posted on our website and occasionally shared via email. Please contact the Youth Ministry administrator to get more details.

Except for special circumstances, our scholarship award is up to 50% of the basic event cost, not including any extra expenses which are not included in the event cost. Please make sure to request a specific dollar amount, worth up to 50% of the event cost, in the field below after prayerfully considering what you can contribute toward the cost of the event. All requests will be confidential.

Event Rocking'N'Water - Underground

Event dates June 29 - July 2, 2021 Event Fee \$299.00

I am requesting a BPC scholarship of \$ _____ to assist in my student attending the event.
