

Lifestyle Covenant

*I urge you to live a life worthy of the calling you have received.
-Ephesians 4:1*

As you serve with One by One, you will be representing not only the ministry itself but—most importantly—the gospel of Jesus Christ. Therefore, we ask that during your time of service that you:

- Submit to One by One’s leadership’s direction over your involvement in ministry
- Abstain from sexual misconduct
- Abstain from drunkenness and illegal narcotics
- Do not steal, lie, or gossip
- Use discernment when going to clubs and/or bars
- Not put yourself in potentially compromising situations with children, minors, and members of the opposite sex
- Maintain an open line of communication with One by One leadership

I, _____, understand and agree to adhere to the principles outlined in this Lifestyle Covenant.

Any action that breaks the rules of One by One’s Lifestyle Covenant may result in disciplinary action.
