## Coalition Hosts Virtual Legislator Breakfast

- On March 2, 2021 the NH Retirement Security Coalition held a virtual legislator breakfast. This was an opportunity for members of the NH Legislature to get to know the partners of the Coalition, hear about the members they represent, learn about the work the Coalition does and find out about some of its legislative priorities. There was also an opportunity for members of the audience to ask questions. This video is a great introduction to the Coalition and to learn about the work they do on behalf of the 80,000 active and retired public employees of New Hampshire.
