## IMAGING INFLIGHT Enhancements

**"Tourism"**: : \$499 : : Includes up to 10 HD Stock photos or 5-10sec videos. These capture the essence the city has to offer - Proximity information to National Sporting Events, Outdoor Living, Tech/Engineering Employers, Lifestyle, Int'l Travel, that attract your clients to the general locations of your listings. This helps your client relate with and desire the city and surrounding benefits beyond the property's immediate area. Great as stand-alone or inclusion in our video packages. Add 3-days to package delivery.

**"Neighborhood"**: : \$499 : : Includes up to 10 HD photos or 5-10sec videos. These capture the essence of a neighborhood - the shops, parks, views, and street life that attract your clients to the general locations of your listings. These are great for expressing a sense of what is beyond the property itself and what it's like to live/work in surrounding neighborhood. You choose the neighborhood and we provide the images. Great as stand-alone or inclusion in our video packages. Add 3-days to package delivery

**"Subdivision"**: : \$499 : : Includes up to 5 HD photos or 5-10sec videos. These shots capture the subdivision's amenities - the clubhouse, tennis courts, pool, BBQ, Playgrounds, and views that offer your clients more than just a house/building. These shots are great for highlighting all the benefits of living in the community. You can specify any shots you'd like within 1 mile of the property. Great as stand-alone or inclusion in our video packages. Add 3-days to package delivery.

**"Beauty"**: : \$499 : : Sun and gorgeous blue skies dress to impress any property client. We like to show our properties in the best light here in the Northwest. We will dress your exterior shots with great blue sky and clouds, regardless the weather we had on shoot location! For twilight shoots, with this enhancement we'll replace a dull twilight sky with a stunning one! Great as stand-alone or inclusion in our video packages. Add 5-days to package delivery.
