

# 12 minutes That Will Change Your Life

Enlightening.

Amazing.

Life-changing.

These are just some of the descriptive words used by participants of the Redwood Area Dementia Network's Virtual Dementia Tour®. Created by Second Wind Dreams®, and featured on ABC News and USA Today, participants have the unique opportunity of experiencing the world through the eyes and ears of those with dementia.

The Virtual Dementia Tour® is a scientifically proven method designed to build sensitivity and awareness in individuals and professionals caring for those with dementia. Created for anyone seeking to understand the physical and mental challenges that accompany dementia.
