We have a lot of fantastic one day a week dancers that we'd love to have join our Teams this year! Performing Teams are required to attend a Jazz

/Technique Class on Tuesday to learn the audition routine as well as a Ballet Class on Thursday in June & July, to keep up on their technique, turns and ballet & audition for a performing team 2021-2022. It's surprising how fast they lose skills when they take a break. (Just Like Reading!) Tumbling is highly suggested as well.

Registration Forms are due by May 3rd along with the registration fee of **\$30.00**. **Performing Team Camp deposit of \$75.00 due now thru May 3rd**. Remaining Camp Balance are due by July 22nd. (Balance will be determined after try outs.)

Tumbling –We will be holding 2 different tumbling classes this summer. Focus will be on front and back walkovers, aerials and back handsprings as well as cartwheels, handstands, muscle strength and hip hop tricks. Each girl will work at her level to improve and advance her skills. We've kept pricing low to accommodate summer vacations. No refunds for missed classes. (We will continue tumbling through our fall schedule as well.) We've found that the girls have a hard time retaining their tricks when they're not practicing them in a focused class.

If you are currently on a Team, come to the class time with your current team name/time below for June & July. If you aren't currently on a team attend by age. I will send an email, if I would like to you do anything different than listed below. After Camp we will start 2021-2022 class times in August.
