

Our Morning Breakfast Specials

Armand
Heights Bed and
Breakfast

Every morning we serve our special homemade breakfast. Every morning that you chose to stay with us we provide a new breakfast every morning. We are a multi culture home, Russian, Canadian, German, and Korean. We put a twist of all cultures on all of our food.

Day 1: Waffles: Our signature homemade fluffy Belgium waffles, are freshly made just before we serve them to you. They sprinkled with icing sugar and whipped cream on the side and served with syrup and berries. Along with a side of juicy breakfast sausages.

Day 2: Omelette: We make our omelettes with our freshly picked farm eggs, chopped mushrooms, local ham, mozzarella cheese, freshly picked green onions. All served with a side of toasted freshly home-baked bread that we bake every evening.

Day 3: Eggs Benedict: It is made with our freshly poached farm eggs (which we collect daily), sliced local ham, on top of our homemade English muffin, and our homemade hollandaise sauce. Served with homemade hashed browns.

If your stay exceeds the 3 day plan we will cook you a special breakfast meal that will be one of the 3 choices below:

1. Egg in a Blossom: This dish is a special phyllo pastry dish that contains; butter, parmesan cheese, our fresh farm eggs, fresh green onions. Served with a Parfait of granola, fresh fruit and yogurt.

2. Apple pancakes: Our apple pancakes are fluffy and well known. They are sprinkled with chunks of fresh cut apple and served with homemade syrup made from local fruits.

3. Russian Crepes: Our crepe recipe has been in our family for generations and is such a delight. We roll them with honey and butter, sprinkle some love with icing sugar and serve it with homemade berry syrup.
