Ehrenpreis, *Kabbalistische Studien*, Part 1., Frankfurt-on-the-Main, 1895.

Vacant, *Dictionnaire de théologie catholique*, Paris, 1899, ff., art. "Cabale," Vol. II, 1271-91.

Wünsche, art. "Kabbala" in *Herzog-Hauck Realencyklopädie für Protestantische Theologie und Kirche*, Vol. IX, Leipsic, 1901.

Bischoff, *die Kabbalah; Einführung in die jüdische Mystik und Geheimwissenschaft*, Leipsic, 1903 (treats the subject in a catechetical manner).

Schülein, art. "Kabbala" in *Kirchliches Handlexikon*, München, 1907, ff. Vol. II, 255-257.

We have purposely refrained from referring to the historical handbooks of D. Cassel, S. Back, G. Karpeles, etc., because they offer nothing new from a critical point of view; and for obvious reasons we make no mention of articles on the Cabala in English Cyclopaedias.
