Up to this month the great drought will endure,  
For Italy and Provence all fruits to half:  
The Great One less of enemies prisoner of their band,  
For the scroungers, Pirates, and the enemy to die.

The enemy so much to be feared to retire into Thrace,  
Leaving cries, howls, and pillage desolated:  
To leave noise on sea and land, religion murdered,  
Jovial Ones put on the road, every sect to become angry.
