Description

MERIT BRIDGES, an attorney and widowed mother in Austin, Texas, works hard, drinks too much wine, and sleeps with younger men. When Merit goes after a shady corporation threatening her client, she encounters hired gun Boots King. His charge is simple, "Stop her!" Merit and her team – including Betty, a mothering office manager with a bad-ass attitude – struggle to stay alive, while they navigate a labyrinth of legal issues, and prove once again that you don't mess with a Texas lady lawyer.
