Go Garfield Park is a program of the Chicago Department of Transportation. Our goal is to help you get around East and West Garfield Park and the city of Chicago by foot, bike, bus, train, and shared car.

HISTORIC BOULEVARD PARK TOUR

Go Garfield Park

Visit the three great original parks of Chicago’s West Side: Douglas Park, Garfield Park, and Humboldt Park. Chicago’s historic boulevard system connects all three parks and their many indoor and outdoor amenities.

You can enjoy each park by foot or bike. For those who want to visit all three parks, you can bike between them in 30 minutes or less.

Get out. Get moving. Get healthy!

WALK BIKE & RIDE

Explore East and West Garfield Park and beyond!
TIPS FOR SAFER BIKING

RIDING PREDICTABLY
Make it easy for drivers to see you: avoid weaving between parked cars and ride with the direction of traffic. No one over age 12 is permitted to ride a bicycle on sidewalks in the City of Chicago.

SEE. BE SEEN. BE HEARD.
Use lights at night (white in the front and red in the rear) or when visibility is poor. Wearing bright, reflective clothing while biking also increases your visibility.

LOCK IT RIGHT
Use a U-lock to lock your frame and at least one wheel to a bike rack or immovable object. For added security, secure your other wheel with a second lock or chain.

REQUEST A RACK
Is your favorite Garfield Park business or community organization lacking a bike rack? Request a free rack by calling 312-742-BIKE (2453) or at bikeparking.chicagocompletestreets.org.

DIVVY BIKES
Divvy is Chicago’s bike sharing system with thousands of bikes at hundreds of stations around the city, including East and West Garfield Park. Bikes are available 24/7, 365 days a year. You must be 16 years or older to ride Divvy. Find out more at divvybikes.com.

1. JOIN
Purchase an Annual Membership online or buy a 24-Hour Pass from any Divvy station. You will need to use a credit or debit card to sign up for a standard annual membership. For Chicagoans who face financial barriers or who do not have a credit or debit card, CDOT now offers the Divvy for Everyone (D4E) program. Sign up for a discounted membership at the Garfield Workforce Center - Central States, 10 S. Kedzie at 10 S. Kedzie, or learn more at divvybikes.com/D4E.

2. TAKE
Annual Members simply dip their key at any station with an available bike. Those who have a 24-Hour Pass will be given a keypad code for any dock with an available bike.

3. RIDE
You’ll get unlimited 30-minute trips for the duration of your Membership or 24-Hour Pass. Trips longer than 30 minutes incur overtime fees.

4. RETURN
Dock the bike back at any station. Wait for the green light to confirm the bike is secure.

5. REPEAT
Take as many trips as you want during your Membership or 24-Hour Pass period. Take any Divvy bike, any time! Enjoy getting around Chicago in a new way.

BICYCLING Divvy BIKES TRANSIT
CTA & Metra
Garfield Park is served by the CTA Green Line and Blue Line trains, Metra UP-W, MD-N, MD-W, and NCS trains, and multiple bus lines. Real-time bus and train arrivals and routes are shown on the CTA and Metra websites.

VENTRA
Ventra is a combined fare card that can be used on CTA trains, CTA buses, or Pace buses. Cash fares are still accepted on buses. Purchase your pass or add value at CTA rail stations, participating retail locations (such as local convenience stores), online, by phone, or using the Ventra app.

PACE BUS SERVICE FOR SENIORS AND PEOPLE WITH DISABILITIES
People with disabilities may qualify for Pace Bus Americans with Disabilities Act (ADA) Paratransit Service. Call the Regional Transportation Authority (RTA) at 312-663-HELP (4357) to ask about eligibility or to apply for scheduled transit trips.

BIKES ON TRANSIT
Bikes are welcome on CTA and Pace buses at any time; each bus has two bike racks on front. Bikes are permitted on CTA trains at all times except weekdays from 7 - 9 am and from 4 - 6 pm. Bring your bike on all Metra trains except weekday trains arriving in Chicago before 9:30 am and leaving Chicago between 3:00-7:00 pm. There is no additional charge for bringing a bike on CTA or Metra.

Pace Bus Service for Seniors and People
with Disabilities
Pace Bus Service for Seniors and People with Disabilities makes it easier for seniors and people with disabilities to get around the City. A special fare card is required for most services.

Research shows that regular walking contributes to your overall health and fitness in these important ways:
• Strengthens heart, joints, and bones
• Reduces blood pressure, risk of stroke, and cholesterol
• Improves mood, self-esteem, balance, and circulation
• Gives you energy and helps with a good night’s rest
• Contributes to “brain fitness”
• Boosts immune system
• Relieves stress and worry

Ladies, consider joining GirlTrek, a national health movement that activates thousands of Black women and girls to transform their lives through walking. Take their pledge to walk your neighborhood every Saturday! Visit www.girltrek.org.

Biking contributes to your overall health and fitness in these important ways:
• Strengthens heart, joints, and bones
• Reduces blood pressure, risk of stroke,(39,210),(279,243)
• Improves mood, self-esteem, balance, and circulation
• Gives you energy and helps with a good night’s rest
