The Chicago Department of Transportation (CDOT), in conjunction with Alderman Moreno (1st Ward), Alderman Hopkins (2nd Ward), Alderman Waguespack (32nd Ward) and the Wicker Park Bucktown Special Service Area #33, is hosting a community meeting to discuss near-term improvements for people walking, biking, riding transit, and driving at the intersection of Milwaukee Avenue, North Avenue, and Damen Avenue. Improvements to the intersection will be considered along with other low-cost improvements on Milwaukee Ave between Division Street and Armitage Avenue. Please attend to learn about citywide pedestrian, bicycle, and traffic safety initiatives, hear about proposed improvements for the intersection and the Milwaukee Ave corridor included in the recently released Wicker Park Bucktown Master Plan, and to discuss uses and challenges for people walking, biking, riding transit, or driving at this intersection.
