A renowned stage master from Japan will present a lecture and demonstration about the dancer's stage assistant, who provides and manipulates props and quick changes for the dancer. Rarely seen in the United States, the techniques will be highlighted in dances by local Japanese classical dance teachers.

東京より特別講師として坂東利太郎氏をお招きし、一部は後見のレクチャーと「引き抜き」(舞台上で衣装を引き抜いて変える技法)を含むデモンストレーション。一部のレクチャー・デモンストレーションは日本語で行われ、英語の通訳が付きまます。二部では、後見の作法と技法を用いる踊りを含む、地元で活躍されている舞踊家の舞台をお楽しみください。
