

Raspberry Lipsticks

Almond Devonshire Cream

4 ounces cream cheese, softened
1/4 cup sour cream
2 Tbsp sugar
1/2 tsp almond extract

Mix all ingredients together until smooth and creamy.
Refrigerate.

Refrigerated product is thick. It thins the longer it is left out. I added more sugar and almond extract until it tasted like I wanted for raspberries.

the Chocolate cups--they called them lipsticks-- is Mona Lisa Chocolate Cordial Tasting Cups. They are available at Liquid Town.

The British use this cream on scones.
