

Kit Carson Riding Club has 10 to 15 Gymkhanas on Saturday nights starting the first weekend in June and ending around the middle of September.

All events are open to the public, are super exciting and a lot of fun! Participants vary from small children being led by their parents (lead line) on their horses to serious barrel racers honing their skills. Everyone is encouraged to attend as a spectator or to participate. These Gymkhanas are one of the clubs favorite pastimes in the summer; whether it is visiting over dinner, watching the action, or having fun with your horse(s). The concession stand is open and you will not find a better burger in town! These gymkhanas are also a buckle series for Kit Carson Riding Club members. Points are recorded and kept track of by the Gymkhana committee through the season for placing's 1st through 5th. At the Awards/Christmas dinner in December the High Point and Reserve High Point for each age group are presented with their awards.

The age group you ride in will be the age you are as of January 1st of that year.

**Registration starts at about 4:45, and leadline starts at 6:00. Due to popular demand we have added a new age division this year 60 and up.**
