The Reverend Bruce Jackson, Rector

Dear Fellow St. John's worshipper,

Almost ten years ago, in 2011, I accepted your call to be your Priest. I have been enriched and blessed during these years by being in community with you. But, my time as your Priest is coming to a close.

My last official duty at St. John's will be the Wednesday evening Eucharist service on December 30, 2020. Following that, an interim priest will be sent here by the Diocese, while a search process proceeds for a new Rector.

Thank you all for the blessing of serving you. You have given me unforgettable joy that cannot be adequately expressed in words.

Your brother in Christ,

The Rev. Bruce A. Jackson
