

STORMIE CUETO

Stormie Cueto was blessed to be raised in a musical as well as a theatrical family with the arts always around. Her mother being a vocalist as well as a musician and her father being a stuntman/actor the joke growing up was performing was in her blood. Throughout her singing career the settings include vocal completions, choirs , musical theater, acapella groups, background singing and having a blast singing with live bands. Besides performing and teaching Stormie also works in the music publishing industry which keeps her connected with all genres of music. Teaching is a true passion of Stormie's because she loves helping others find their voice and being apart of her student's journey furthering their love for music. She is so excited to work with all of the different and amazingly beautiful voices at Vibe Performing Arts!
