Adventures *in* Scratch

Beginning Computer Programming

SCRATCH

***A Four~Part Course: Wednesdays
Feb. 17~ 24 & March 2 ~ 9, ~ 5:30~7:30 p.m.***

Join us with instructors Sharon and Alex Eller of Code School Rocks!
Create your own games, stories and animations! Learn with drag and drop programming with "Scratch" (MIT project media lab). Scratch helps young people develop new, 21st century science and engineering skills.

Intended for ages 8-18.

YOU WILL NEED: *Your own Laptop with newest versions of Chrome, Firefox, or Internet Explorer and Flash Player (vers. 10.2+). Children under 10 must be accompanied by adult.*

Registration is suggested: Call 228-875-1193

Ocean Springs Municipal Library • 525 Dewey Ave. • 875-1193
