Dear High School Discipleship Faith Formation Family,

Over the past few years Fr. Brian and I have been working to develop a model for High School Discipleship that is based on the need for youth to know Jesus personally, and to develop themselves (with our help) as lifelong followers and friends of the Lord. Once they know the Good News of the Lord, they can live and share that Good News in all aspects of their lives.

As we begin this new year, Fr. Brian will be scheduling one-on-one meetings with all of the youth to get a sense for where each is on their personal discipleship journey. These meetings will take place through the month of September and the actual program will begin in November. Registration for the high-school program needs to be completed in a two-step process. First you will need to complete the basic "registration form" that I keep on file and contains important contact information; second your young adult child will need to schedule an interview with Fr. Brian. Completion of both steps is required before your child will be placed in a group of classmates (or "house") and in order for a faith formation track to be determined while s/he is in the program.

Please take some time to review all the information on this webpage regarding the "School of Discipleship," and be sure that your young adult child is also aware. After reviewing the information please feel free to contact Fr. Brian or me if you have questions or concerns. We are looking forward to helping all of our youth and families to **Grow In Faith Together!**

Be Well and Be God's,
