

Health Statement

Health status information is critical to ensuring that the individual needs of children are met, while protecting the health and safety of all children in our care. In order for your child to be admitted to a state-licensed facility, we are required to secure a doctor's signature and a parent/legal guardian's signature on the following:

I have examined _____ within the past twelve (12) months and find that he/she is physically able to participate in the Preschool/Mother's Day Out and/or extended care programs.
