STEP2 CHILDCARE

STEP2 is currently seeking sponsors to help cover the costs of childcare for our moms working to break the cycle of addiction and violence in their families.

The funds received through the Childcare Sponsorships will go toward the following:

DROP-IN CHILDCARE FOR MOMS IN RESIDENTIAL TREATMENT

STEP2 allows newborns (up to 6 months) to stay with their moms in our Residential Facility. On days that a mom of a newborn is doing trauma work or has a doctor's appointment, she can use a drop-in spot for her baby at the Boys and Girls Club Early Learning Center located on our campus.

The cost for each drop-in spot for our STEP2 babies is \$800 per month.

WORKFORCE DEVELOPMENT CHILDCARE

When a woman finishes our Residential Treatment Program and moves onto our Transitional Housing Campus, she also begins the process of entering back into the workforce. During this time of transition, women attend our workforce development group, actively seek employment and go on job interviews. Unfortunately, while they are working to find a job, they are not eligible to receive subsidized childcare. STEP2 would like to bridge this gap by offering them the financial assistance they need to cover drop-in childcare.

The cost for this is approximately \$400 to \$800 per child per month (costs depend upon child's age).
