Miami Dade College  
(MDC) West Campus  
**2021 STEAM**  
**Student Summer**  
**Camp**

The Miami Dade College (MDC) West Campus 2021 Science, Technology, Engineering, Arts and Mathematics (STEAM) Student Summer Camp is designed to stimulate interest in STEAM professional careers for entering High School Freshman.

Students will learn about the Principles and Art of Engineering (AOE), technical writing, career research, and will be engaged in STEAM-related activities and workshops. Students will be introduced to the culture of college and college readiness strategies. Students will also prepare for and compete in the following student competitions:

- Water Bottle Rocketry (WBR)
- Patch Design Challenge (WBR)
- Mousetrap Car (MTC)
- Bridge Building
- Essay/Vision Board
