Summer Sleepaway Camp 2020

Summer camp offers a wide variety of outdoor activities led by trained and experienced leaders who guide youth in having an unforgettable adventure.

Youth get the full camp experience starting with bus transportation up to camp, through a week of activities like archery and hiking, and back home again to share campfire memories and songs.

Camp is a special time for youth to make new friends in a highly socialized environment that allows them to get away from technology for a while. The encouraging and nurturing environment teaches youth resilience to stress and shows kids that they can do anything if they simply give it a try!

“My first experience at camp was one that **changed my life**. It turned an introvert into an extrovert within one week. We learned how to use **teamwork** with each activity. It has the ability to let you **be yourself** and to enjoy the world around us, without technology.”

- Camp E.L.K. Participant

Enjoy Exciting Activities:

- **9 Square in the Air** – Think four square but in the air with 9 squares!
- **Low Ropes Courses** – Challenges and activities to build team work and endurance.
- **E.L.K. Regatta** – A cardboard boat made by you and then put to the test to sail in the Camp E.L.K. pool.
- **Scavenger Hunts** – Strategize, explore and work together to be the team that wins the hunt.
- **Ragger Program** – A Rag is an outward sign of an inward goal. This program is designed to help you achieve personal growth through goal setting. As you set and achieve goals you will move from color to color in the Rag program.
- **Rock Wall** – Scale to the top and ring the buzzer!
- **Time Capsule Activities** – Commemorate the 20th year of Camp E.L.K. by participating in historical activities that will leave a legacy.
