## Group Exercise Schedule

**Balance** – Designed and crafted for active older adult to improve quality of life and independence.

This class offers balance exercises along with dynamic coordination movements; designed to improve one's sense of balance and mobility. Accommodations for physical limitations can be made.

**BODYPUMP™** – The original barbell class that strengthens your entire body challenging all your major muscle groups by using weight-room exercises like squats, presses, lifts & curls choreographed to upbeat music.

**Boot Camp** – This is an intense class that will challenge you to a new fitness level. Class formats include use of body weights, dumbbells, heavy ropes, and other equipment in order to simulate a military-quality experience. Each class uses different exercises to boost your metabolism, lose weight, gain muscles, and feel great!

**Cardio Jam** – Various hi/low impact cardio combinations with strength training and abdominal work. All levels of fitness. Incorporates intervals of cardio endurance and muscle conditioning to create a fitness experience. Improve overall fitness, agility, speed, and athleticism in this high-intensity class.

**Chair Yoga** – A yoga class for older adults. Yoga poses that are performed while seated in a chair for a flexible and strong body; breathing exercises for increasing stamina, and mind exercises to increase concentration and inner peace.

**Circuit Training** – designed to lower blood sugar by combining strength and cardio work.

**Cycle Express** – An intense 45 minute class designed to give you an intense workout in less time.

**Cycle** – A challenging stationary cycling class that utilizes various training techniques and motivational strategies to simulate a true bike riding experience.

**Gentle Yoga** – This easy to follow class provides plenty of time for modifications making it a great choice for beginners looking to develop a yoga practice in a slower, supported way.

**Mat Pilates** – Pilates is a system of controlled exercises that engage the mind and condition the total body. The blend of strength and flexibility improves posture, reduces stress and creates long, lean muscles. Pilates takes a balanced approach so that the body moves as an efficient, holistic system in sport and daily activity.

**POUND®** – Pound fitness is a combination cardio and weight training exercise approach that includes some of the rhythmic techniques used in Pilates. ... Colorful, light-weight (1/4-lb) drumsticks called ripstix add an element of fun to Pound classes while they help exercisers count out the length of time they hold certain positions.

**POP Pilates** – A powerful fusion of music, strength, and choreography that takes classical Pilates to the next level. POP Pilates is a dance on the mat.

**Power Yoga** – Dynamic & flowing class that move at a quicker pace with more emphasis on posture and alignment to build strength, flexibility, balance and presence of mind.

**SilverSneakers® Classic** – Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement and activities for daily living. Hand-held weights, elastic tubing with handles and a SilverSneakers® ball are offered for resistance. A chair is available if needed for support.

**Total Fit** – Taught by a certified personal trainer with specific attention geared to the individual needs of the members. Includes weight training with hand weights, bars, bands, and stability balls. Some cardio, floor work and stretching is included.

**Y-Barre** – A unique, low-impact, high-energy fusion of Pilates, ballet, and weight resistance designed to tone long, lean muscles.

**Yoga Flow** – Combinations of several yoga formats and poses, focusing on strength and flexibility.

**Zumba®** – Both formats are very dynamic and exciting classes full of Latin and exotic music flavors! They targets areas such as glutes, legs, arms, abs and the most important muscle of the body, the heart.

**Zumba® Gold** – An active older adult class full of exciting Latin music flavors and dynamic moves. It targets the whole body and is fun at the same time!

**STRONG by Zumba®** is a revolutionary high-intensity workout led by music to help you make it to that last rep – and maybe even five more. Do you have what it takes?

**Youth Martial Arts** – This class focuses on the techniques of Karate and Taekwondo. Children will have the ability to promote up to yellow belt. This class is for 4-5 year olds and 6-12 year olds.

**\*Registration required\***

**Youth Ballet** – This class will teach kids the basics of ballet and tap.

**\*Registration required\***

**\*\* ATTENTION: Registration is required for all free youth fitness classes and each child can be enrolled in ONE free class at a time\*\*\***
