2020 Annual Campaign

When you donate to the Fullerton & Yorba Linda/Placentia Family YMCAs, you make Orange County better through programs focused on:

Youth Development

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development - all grounded in the Y's core values of Caring, Honesty, Respect and Responsibility.

Healthy Living

We help people and families build and maintain healthy habits for healthy spirit, mind and body in their everyday lives. By helping kids, adults, families and seniors from all walks of life improve their health and well-being, we build a stronger community.

Social Responsibility

With our doors open to all, we bring together people from all backgrounds, and support those who need us most. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.

100%

of funds collected during this campaign support our Financial Assistance Program and free programming for those who need it most.

Help people like Natasha and her family...

"My children have grown so much from having the after school program available to them. Not only has it helped them socially, but it has given them accountability and maturity. This not only has been a blessing for my kids, but for me as well. I feel secure knowing that my children are placed in the care of the YMCA team. The YMCA has brought our community together and has made us feel like family. Thank you for this opportunity and many blessings."
